

UNWAVERING SUPPORT

FOR UNCOMMON HEROES®

As Americas Veterans and our troops serving today have protected our country and the freedoms we enjoy, the families at home have struggled to maintain the home front. Grand Parents, Parents, Spouses and Children of deployed service members have come together to form the Veterans of Foreign Wars Auxiliary.

While one day a year is set aside to thank our Veterans and Active-Duty members, we work every day to ensure their sacrifices are not in vain. Our mission is to assist the Veterans of Foreign Wars in all their endeavors. We also work hard to support the families of those who serve, and our communities.

Just as we can never fully repay those who have served and the family's that sacrificed so much we can continue to show our support and appreciation of all they have done for our Nation.
